

1. Enter the GECO website: <https://geco.gaepd.org/Login.aspx>
2. Using your email and password, log into your account.
 - a. If you do not have an account, move through the steps to register an email, and verify that email.
 - b. Once Registered and verified, request access to your facility.
3. Select your facility name.
4. If applicable - set your communication preference. You will not be able to leave this screen without doing so. If you are consultant for a facility, it may be best to leave as "Mailed Communication".

Set Communication Preferences

The Georgia Environmental Protection Division will begin offering electronic communications (e-notices) for information related to fees. Let us know your preference for receiving communications below:

☐ Prefer to receive electronic communications.

☐ Prefer to receive mailed communications.

☐ Prefer to receive **both** electronic and mailed communications.

Note: You will be required to confirm recipient addresses on the next page.

[Submit](#)

5. Confirm the facility's "Primary Contact" information.

Confirm Communication Preferences

Current communication preferences and contacts for this facility are shown below accuracy or click the "Edit" button to make changes.
